**Alcohol:**

New Orleans is a city of people who love a good time, and one of the things that has made New Orleans so famous. New Orleans has enough attractions and activities to meet any desire, from dining, shopping, gaming, and touring. New Orleans has always been known for its delightful cooking: Creole, Cajun, French, Spanish, and almost every other ethnic variety you can think of. Another hallmark of the “City that Care Forgot” is the variety of nightlife activities available. Right waterfront activities include River Boat Tours, Bayou Tours, and The Aquarium of the Americas. Homer's numerous restaurants and the above ground cemetery are available. You can visit the zoo or the Museum of Art with the largest collection of African art in the world.

Shoppers will have a field day here. From one-of-a-kind French Quarter Street with its century-old cobbled streets offering collections of local and regional art, specialized clothing shops, and restaurants, to the airboat tours of the French Quarter. With a walking distance of our hotel at Canal Place and taking the street cars to Decatur St. every 45 minutes, and about 200 stores. The French Quarter offers Preservation Hall, where jazz is played nightly, the French Market, Jackson Square, beautiful architecture, Creole cooking classes, and the famed beignets at Cafe Du Monde!

We have a block of rooms for seminar participants. Once this block is sold, rooms are based upon availability only and may not be at the group rate. To make reservations, please visit our website: www.northwestseminars.com or call (800) 222-6627

**CANCELLATION POLICY:**

This program is eligible for Category 2 credit with the American Medical Association with Physician Assistants may receive a maximum of 20 hours of Category I credit for completion of this program.

Additional state organizations accredited by the ACCME.
