Las Vegas
This is the city that attracts more than 37.5 million visitors a year by offering the grandest hotels, the biggest steak in entertainment, the highest caliber of entertainment, the most luxurious spas and resorts and, of course, the brightest lights. You can’t be in Las Vegas and not find something to your taste.

Comedy and music headliners as well as six resident Cirque du Soleil productions, classic Las Vegas show routines, and a variety of somethings and, of course, the brightest lights. You can’t be in Las Vegas and not find something to your taste.

The city famous for having "something for everyone" furthers the proof to its claim when the sun goes down. From elaborately themed clubs to the new wave of upscale "ultra lounges," you can experience a variety of night spots. And do not forget, nada más. Las Vegas has something to suit all tastes as well. Red Rock Canyon offers scenic hiking and wildlife viewing. Or, you can visit the Cosmopolitan City Hall, the Grand Canyon, or many other great desert experiences.

We have a block of rooms for seminar participants. Once this black block is based upon availability and may only be available as a hotel. To make reservations, please visit our website: www.northwestseminars.com or call (800) 222-6927.

Call Universal Travel for your air needs. Be sure to mention Northwest Seminars when booking. Booking fees apply. Contact Kellee Kifer: Phone: (855) 768-7877 Email: kelleekifer@northwestseminars.com

MEDICAL DIRECTOR: Mark Murphy, MD, MSN Education: Austin, Texas and North- west Seminars, P-Week, Washington.

TARGET AUDIENCE: This course is designed for physicians, physician assistants, nurses, nurse practitioners, and other healthcare professionals who are involved in the care of the patient or are expected to be.

PROGRAM PURPOSE: The purpose of this course is to provide physicians with up-to-date evidence-based knowledge and skills for the treatment of the patient with COPD.

OBJECTIVES: At the conclusion of this activity, the participant will be able to:
1. Apply the pertinent physical and behavioral sciences as they impact and are affected by the care and education of patients with COPD.
2. Explain the smoking cessation with an understanding of the treatment of the patient with COPD.

We highly recommend purchase of travel insurance. At travel risk.

SCHEDULE

ED
MD/DO
CME/RA
RN/Others

$100 July 12, 2018 to August 11, 2018. No refund after August 11, 2018; however, 50%

PAYMENT METHODS:
Payment methods accepted for tuition include Visa, Mastercard, American Express, Discover, and check, or money order in US funds, payable to NWS.

Tuition will be subject to change without notice. Changes on site due to local conditions will be announced in class.

The faculty reserve the right not to honor any published prices or coupons that it determines were erroneous due to printing, electronic, or clerical error.

Factors beyond our control sometimes necessitate changes in the schedule and fees. In such cases, with 10 workdays advance notice, we will inform all participants of any changes prior to the program. Changes on site due to local conditions will be announced in class.

Cancellation must be made in writing.

Fees:
Full payment must be received by August 11, 2018. No refund after August 11, 2018; however, 50% of tuition paid may be applied toward tuition for another NWS program within the next 12 months.

Fees:
Fees are subject to change without notice. Changes on site due to local conditions will be announced in class.

Cancellation must be made in writing.
