The Lakefront Anchorage
Set on the shore of Lake Spenard next to Lake Hood. The Lakefront Anchorage has daily flightseeing and fishing pick-ups from our dock, from which you can also gaze at flightseeing with the majestic Chugach Mountains behind.

This lodge-style hotel is for adventure seekers and business travelers alike, with well-equipped rooms, fitness center and more. Take in your Last Frontier adventure by a rifle or burro and join ling salmon parties with an icy mountain backdrop.

All guests are provided with a shuttle from downtown Anchorage to Knik Road for a scenic drive. Take the Seward Highway south to Chugach State Park and beyond into the great Alaskan wilderness. You're sure to spot wildlife from eagles to moose. Another popular mode of transport is the Alaska Railroad. Head to the Anchorage Depot and catch a train to Denali Park, Fairbanks, Seattle, and Whittier giving you access to cruise tours, glacier viewing, and all of the scenery you could hope for along the way.

You don't have to leave town to glimpse Alaska's native wildlife. Visit the Alaska Zoo for a wide variety of animals, many rescued or rehabilitated and now living in comfortable habitats, some recently expanded including the polar bear habitat. A great way to get a taste of Alaska's history at the Anchorage Museum at Rasmuson Center. Also included are artifacts, audio, video, and text displays covering Alaskan Native history, nature, and its own pioneers.

Shopping opportunities include the 5th Avenue Mall, with five floors of shops including a few Alaskan-themed gift shops. The downtown area is very walkable and also offers a selection of gifts including jewelry, native art, and even fur.

FAP (Frequent Attendee Points): FAP lets you accumulate points based on dollars spent with NWS including not hotel and tuition but also through other forms of travel. Once you have enough points to cover a full tuition they can be redeemed for tuition (no cash value). A great program to reward for supporting NWS.

We have a block of rooms for seminar participants.
