The Palm Hotel & Spa

The Palm Hotel & Spa is located in Miami Beach, Florida. It is a luxurious and elegant resort that offers a wide range of amenities and services. The hotel is situated on the magnificent South Beach, just steps away from the Atlantic Ocean. The hotel has a beautiful pool area, a fitness center, a spa, and several restaurants.

FAP (Frequent Attendee Points):

FAPs for this program are based on dollars spent with NWS including hotel and booked through NWS (not just NWS). If you have enough points to cover a registration, you will be deemed approved for tuition (no cash value). A great award to trend toward you for supporting NWS.

The hotel offers a range of rooms, including standard rooms, suites, and ocean view rooms. Each room is designed to provide comfort and luxury, with features such as large windows, spacious bathrooms, and high-speed internet access.

South Beach

South Beach (Miami, Florida) has been called the American Rivera and an Art Deco playground, yet there’s more to experience than fine white sand and seashore architecture. South Beach offers an eclectic mix of world-class boutiques, galleries, and eateries, as well as a culinary hot spot for gourmet and casual beach cuisine. For the most part, specialty shops; numerous specialty shops are here for the picking.

Numerous museums, such as The Whittier: Fairchild, offer a thought-provoking journey through the modern age. Showcase American and European decorative and fine arts produced between 1876 and 1945, with an array of objects in an eclectic mix including everything from propaganda posters to World’s Fair memorabilia. The Jewish Museum of Florida is comprised of two coherent collections connected to a single body. The museum opened in the 1936 Art Deco synergist which features 80 glass windows. Desc chocolate, art, and souvenirs.

Many fine-rate spas and golf courses are located in Miami as well. Stroll the beautiful grounds of the Miami Beach Botanical Gardens or bush your winter tires on the beach. Play a game of beach volleyball, sail, or snorkel. The southern tip of South Beach is a great place to watch cruise ships sailing out to sea.
