Continuing education for the medical professional

Hawks Cay Resort is the only resort in the continental United States that features on-site dolphin research facility, with a variety of educational and exciting programs for the entire family to enjoy. Located just a few miles from the shore, it offers only coral reefs in the continental United States, the stinging galapagos current, and many productive local fish and coral reefs. Hawks Cay Marina features knowledgeable and friendly Florida Keys boarding, fishing, and scuba diving, and a surf and sail charter boat tours, and rental service to accommodate angler and women levels and all ages and skill levels. The resort also offers plenty of activities for children and teens. For adults, the Calm Waters Spa provides an exceptional yet stunning escape where you can indulge in island-inspired treatments, rejuvenating facials, relaxing massages, and more. The resort's private beach, complete with kayaking, paddle boarding, beachlers, bar, pool, tennis, wireless internet access, mini-golf, and salon.

Hawks Cay Island Resort, located midway down the Florida Keys on the secluded 60 acre island of Duck Key, offers some of the world's best fishing, exotic water sports, dolphin interaction programs, a saltwater lagoon, five gorgeous swimming pools, and luxurious accommodations. This quirky little island has hidden treasures for everyone to discover. At A Merlin's Crane Plott, visitors can take a wonderfully preserved tropical hardwood grove and visit the homes of a few early 20th century family.
