Half Moon Bay

With grand scenery and small-town charm, Half Moon Bay offers a broad range of experiences. Marvel at the enormity of towing out coastal swells, and while you’re at the big wave surfing, then catch a glimpse of the world’s most famous icons, the magnificent gray whales. Take a ride into the countryside to enjoy a vet to tempered farms, small-town craft breweries, and a peaceful drive along quiet country roads.

Because Half Moon Bay’s close proximity to the San Francisco Bay Area, you can enjoy everything California has to offer. The ocean’s expansive miles of sandy beaches, lush blufftop meadows, and rolling hills waiting to be explored. The area’s linking NWS and wetlands complex will inspire you to hop aboard a fishing boat, kayak, or stand-up paddle board. Half Moon Bay has its own agricultural legacy of crops and farm animals that will appeal to nature gardeners and foodies alike, while its rich history of romantic old West landmarks and architecture will intrigue history buffs.

Golf aficionados will thrill at the two westerly golf courses—a total of 36 miles of oceanfront golf—one course designed by golf legend Arnold Palmer. The other is a stunning Scottish-style course, perched upon cliffs above the crashing tidal tides.

**FAP (Frequent Attendee Points):**

FAP lets you accumulate points based on dollars spent with NWS including net hotel and tuition booked through NWS (but not air). Once you have enough points to cover a full tuition they can be redeemed for tuition (no cash value). A great way to reward you for supporting NWS.

**PAYMENT METHODS:**

Payment methods accepted for tuition include Visa, Mastercard, American Express, checks, or money orders payable to NWS in USD.

**SCHEDULE AND FACILITY CHANGES:**

Factors beyond our control sometimes necessitate changes in the schedule and facility. If so, we will make them, as well as amendments of any changes prior to the program. Changes on site due to local conditions will be announced immediately.

**CANCELLATION AND REFUND POLICIES:**

We reserve the right to cancel a course for any reason. In such case, a minimum of 30 days’ notice will be given to those registered, and all of tuition paid will be refunded. NWS and NWWT will not be responsible for any non-refundable travel costs. In the event that an NWS course is cancelled, participants will be notified immediately.
