Florida has been called the American Riviera and an Art Deco playground, yet there's more to experience here than fine white sand and exuberant architecture. South Beach offers an eclectic mix of world-class boutiques, galleries, and also rates as a culinary hot spot for gourmet to casual cuisine. For the intrepid shopper, numerous specialty shops are here for the picking.

Numerous museums, such as The Wolfsonian, offer visitors a thought-provoking journey through the modern age. Showcasing American and European decorative and fine arts produced between 1885 and 1945, the array of objects is an eclectic mix including everything from propaganda posters to World's Fair memorabilia. The Jewish Museum of Florida is comprised of two restored synagogues connected to a skylighted bistro. The museum opened in the 1936 Art Deco synagogue which features 80 stained glass windows, Deco chandeliers, and a Moorish copper dome.

Many first-rate spas and golf courses are located in Miami as well. Stroll the beautiful grounds of the Miami Beach Botanical Gardens or banish your winter blues lying on the beach. Play a game of beach volleyball, sail, snorkel, or float. The southern tip of South Beach is a great place to watch cruise ships sailing out to sea.
BASSETTERE, ST. KITTS, NEVIS
Situated amongst dazzling Caribbean waters and mountains covered in tropical foliage, Bassetterre is a picturesque island retreat with a surprising history of colonial struggle reflected in its architecture and cultural monuments. The Circus is a flurry of activity and a perfect spot for a snapshot with the Berkeley Memorial Clock. The National Museum, St. George’s, and Independence Square are also popular attractions in addition to the beaches, resorts, and marinas. You can of course enjoy plenty of snorkeling, windsurfing, diving, sunbathing and golfing while in Bassetterre.

CHARLOTTE AMALIE, ST THOMAS, USVI
Charlotte Amalie is the capital and major passenger port of the island of St. Thomas, which together with St. Croix and St. John form the principal islands of the United States Virgin Islands. Charlotte Amalie has always attracted large mercantile ships, even before the arrival of the transatlantic passenger cruisers, and tourism has been the major maritime activity for the last few years.

Discover duty-free shops, historical buildings, and stunning waterfront views. Small boutiques offer high fashions and cozy bistros serve delectable cuisine. COCCOY, BAHAMAS
Surrounded by the gentle, translucent waters of the Bahamas chain lies the secluded island of Cocoy, an eco-certified private destination. Reserved exclusively for cruise ship guests, this 140-acre tropical paradise was awarded a Gold-Level Eco-Certification by Sustainable Travel International™ for its environmentally friendly activities and tours.

With its white-sand beaches and spectacular surroundings, Cocoy is a wonderland of adventures. Explore new aquatic facilities, nature trails, and a ton of great places to just sit back, relax, and enjoy a tropical drink. Discover many ways to relax or go on a unique adventure in Cocoy. One of the most popular things to do is to take a thrilling ride on a waverunner.

Enjoy Caylana’s Aqua Park, a fun-filled floating playground for kids of all ages. Take an exhilarating ride in the skies on a parasail. Spend the day relaxing in a hammock on the beach and enjoy island-style seaside barbecue. Explore the island through eco-tours, from a guided nature walk that ends in a secluded beach to leisurely kayaking and snorkeling adventures.

20 CME / 20 CEC / 2.1 Pharmacology Hours†

Children and non-registered guests are not allowed to attend the lectures.

The above rates are per person fares, based on double occupancy. Single occ-
OBJECTIVES: At the conclusion of this activity, the participant will be able to:
- Explain the selection, dosing considerations with methods of administration, safe use, contraindications and precautions of drugs based on their chemical and pharmacologic properties.
- Outline comprehensive patient management plans for the special patient population.
- Apply the principles of safety and asepsis in the performance of all aspects of patient care regardless of the clinical environment in which the practice resides.
- Incorporate the published tenets of pertinent, recognized external organizations, institutions, and professional groups defining medical, legal, philosophical, ethical, and health care management standards.

ACCREDITATION: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health and Northwest Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health is accredited by the ACCME to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health designates this live activity for a maximum of 20 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Anesthesiology: CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

Canadian Physicians: This activity is eligible for Section 1 credits in the Royal College’s Maintenance of Certification (MOC) Program. Participants must log into MAINPORT to claim this activity.

Certified Registered Nurse Anesthetists: This program has been prior approved by the AANA for 20 Class A CE: AANA Code #1038027; Expiration Date 4/9/2020.

Nurse Practitioners: The American Academy of Nurse Practitioners Certification Program (AANPCP) and the American Nurses Credentialing Center (ANCC) accept CME from organizations accredited by the ACCME.

Osteopathic Physicians: This program is eligible for Category 2 credit with the American Osteopathic Association (AOA).

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit(s)™ from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 20 hours of Category I credit for completing this program.

Registered Nurses: NWS is an approved provider for the following state nursing boards: Arkansas State Board of Nursing (Provider Number 50-7480), California Board of Registered Nursing (Provider Number 4833), District of Columbia Board of Nursing (Provider Number 50-7480), Florida Board of Nursing (Provider Number 50-7480), Georgia Board of Nursing (Provider Number 50-7480), and the South Carolina Board of Nursing (Provider Number 50-7480). This program offers 20 contact hours.

Pharmacology hours subject to change.
